

## **Adrian Humbel, Chief Executive Officer**

Adrian Humbel is the CEO at SwissSign AG, a wholly owned Swiss Post company.

As an organizational unit of the Group Corporation for Swiss Post Solutions, SwissSign AG is an independent legal entity focusing on the development, production, marketing, operations, and support of certificate-based identity and IT security solutions.

Prior to coming to SwissSign AG, he was VP & CTO EMEA for identity and security solutions at Novell Europe for 5 years. Before, he was CEO of the Swiss Novell subsidiary in Zurich for five years.

Adrian studied management and IT at the University of St.Gallen and holds a Masters degree in economics from this institution.
