

Public Consultation regarding the Amendment of the RUO

 RUO

Further to Decision 510/024/10-02-2009, EETT has proceeded to organize a two-week Public Consultation, regarding the amendment of the provision of “OTE’s Reference Offer for Unbundled Access to the Local Loop and Related Facilities”. In execution of the Decision, OTE has deposited a pertinent revision proposal on the Reference Offer for Unbundled Access to the Local Loop in force and the corresponding installations.

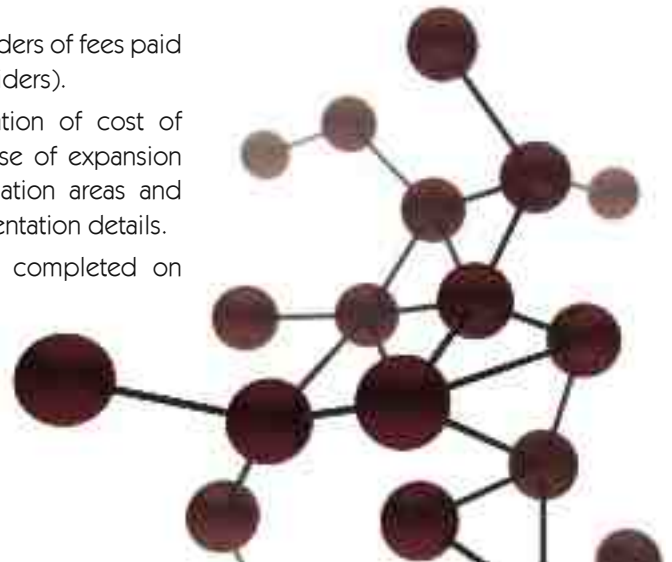

EETT’s Decision on the necessity of the amendment of OTE’s Reference Offer for Unbundled Access to the Local Loop and Related Facilities regards the following issues:

- 1st** Process of Combined Appointment of Failure Management.
- 2nd** Process for Increasing Physical Collocation Racks.
- 3rd** Processes for releasing racks in Physical Collocation areas (particularly issues related to the settlement

by incoming providers of fees paid by departing providers).

- 4th** Process for allocation of cost of construction in case of expansion of Physical Collocation areas and remaining implementation details.

The Consultation was completed on March 27th, 2009.
