1.

AWARD PROCEDURE:

The tender procedure will be conducted in accordance with the open procedure of article 27 of law 4412/2016, using the platform of the National Electronic Public Procurement System (NEPPS).

2. SCOPE OF THE CONTRACT:

The scope of the contract is the development of a modern, integrated Spectrum Management Information System, capable of supporting EETT in all the operations required for the granting of rights of use for radio frequencies electronically to enterprises, public organizations and citizens. The new system will support EETT in all its responsibilities with regard to the maintenance / management activities of the National Radiocommunications Register, the management of the radio spectrum and the granting of rights of use for radio frequencies.

The services to be provided are classified under the following codes of Common public Procurement Vocabulary (CPV): 72212517-6 and 72000000-5. The software and equipment to be procured are classified under the following CPV codes: 48100000-9, 48781000-6 and 48820000-2.

The scope of the contract can be altered in content and duration as follows:

a) award of the contract for a quantity greater than a percentage or equal to a percentage as follows: 15% in the case of the largest quantity and 50% in the case of the smaller quantity.

b) modification of the original contract, according to the options described in the tender procedure documents, with an increase of up to 70% of its scope and budget, that will be financed by EETT

3. BUDGET:

The budget of the contract, without the options, amounts to two and a half million euros (2.500.000,00 €), including VAT 24% amounting to four hundred eighty-three thousand eight hundred seventy euros and ninety-seven cents (483.870,97 €) (budget without VAT: two million sixteen thousand one hundred twenty nine euros and three cents (€ 2,016,129.03)).

The options amount to one million seven hundred and fifty thousand euros (€ 1,750,000.00) including 24% VAT of three hundred thirty-eight thousand seven hundred nine euros and sixty-eight cents (€ 338,709.68) (budget excluding VAT: one million four hundred eleven thousand two hundred ninety euros and thirty-two cents (€ 1,411,290.32))

4. PLACE OF PROVISION OF SERVICES: GREECE

5. ALTERNATIVE OFFERS

:

No alternative offers or offers for part of the requested services are accepted.

6. DURATION:

The duration of the contract starts from the date of its signature and is set at eighteen (18) months from that date

7. TENDER procedure

DOCUMENTS

:

a) Interested parties may obtain the tender procedure documents through the platform of the National Electronic Public Procurement System (NEPPS), www.promitheus.gov.gr. All communication in relation to the tender process and in particular the electronic submission, are performed through NEPPS platform, www.promitheus.gov.gr.

b) Deadline for clarification requests: twelve (12) days before the offer submission deadline. Clarifications will be provided through the NEPPS portal www.promitheus.gov.gr, six (6) days before the offer submission deadline, at the latest.

8. OFFERS

:

a) Offer submission: Candidates may submit their offers electronically via the portal www.promitheus.gov.gr by the closing date. In order to participate in the tender procedure, interested economic operators are required to have a digital signature, issued by a certified authority, and to register in the electronic system (www.promitheus.gov.gr) following the registration process.

b) Offer Language: Greek.

c)

Deadline

for offer submission: 10-6-19 at 13: 00.

ELECTRONIC OPENING OF OFFERS

: 10-6-19 at 14 : 00, using NEPPS platform,

www.promitheus.gov.gr.

9. PERIOD DURING WHICH CANDIDATES ARE COMMITTED BY THEIR OFFERS: eight (8) months, starting from the day next to the offer submission deadline.

10. AWARD CRITERIA: Price is not the only award criterion and all criteria are stated only in the tender procedure documents.

11. DATE OF DISPATCH TO EU OFFICIAL JOURNAL: 09/04/2019

Pr. Konstantinos Masselos

President of EETT
