

Public Consultation on the amendment of the Regulation on the management and allocation of numbering resources

The National Telecommunications and Post Commission is launching a public consultation on the amendment of the EETT Decision 441/121/21-6-2007 “Regulation on the management and allocation of numbering resources of the National Numbering Plan”, as it applies.

The consultation document is available in greek through the following link:

[Consultation document on the amendment of the EETT Decision 441/121/21-6-2007 “Regulation on the management and allocation of numbering resources of the National Numbering Plan”, as it applies.](#)

The National Telecommunications and Post Commission is seeking the views and comments of stakeholders on the proposed document. The consultation period is from 8 October to 5 November 2012. The responses should be submitted stating the author’s details and affiliation, in Greek or English language, both in printed and electronic format, no later than November 11, 2012 at 13:00. Anonymous responses will not be taken into consideration. The responses will be published unedited. In case the responses contain confidential

elements, they should be placed in a special Annex, so that they will not be published.

The responses to the public consultation should be marked as follows:

Public Consultation on the amendment of the EETT Decision 441/121/21-6-2007 "Regulation on the management and allocation of numbering resources of the National Numbering Plan", as it applies.

Responses should be submitted at the following address:

EETT offices,

60 Kifissias Avenue,

151 25 Marousi,

Athens, Greece (7th floor),

Tel: +30 210 6151000

Fax: +30 210 6105049

Email:

numbering@eett.gr

During the public consultation process, explanatory answers will be provided by EETT in response to interested parties' questions. These questions should be submitted only through the electronic e-mail address numbering@eett.gr and should contain the author's details and affiliation.

Please note that after closure of the public consultation and

examination of responses, a codified version of the relevant regulation will be published in the Government Gazette.

The public consultation document is not binding on the forthcoming EETT regulatory actions on this matter.
