

ERGP

The [European Regulators Group for Postal Services \(ERGP\)](#) is composed of National Regulatory Authorities (NRAs) from 27 EU countries. The ERGP has an advisory role to the European Commission on the development of the single EU market for postal services. At the same time, it facilitates consultation, coordination and cooperation between NRAs and the Commission.

EETT has assumed the Vice-Chairmanship of the ERGP for 2022 and 2023. It also held the Presidency for the years 2020-2021 and the Vice-Chairmanship for 2019. In this context, it has drawn up the Medium-Term Strategy for 2020-2022, with the participation of the German NRA (BNetzA), as well as the Work Programme for 2020 and 2021, with the participation of the Polish NRA (UKE). In addition, EETT participates, either as the Chairing Authority or as a member, in the working groups of the ERGP.
